

Summer School 2010  
Location: St. Paul's School  
6101 W. Goshen  
Visalia, Ca 93291  
559-739-1619  
[www.spsvisalia.com](http://www.spsvisalia.com)

Dates: June 7-11  
June 14-18  
June 21-25  
June 28-July 2  
July 12-16

Class Hours: 8:15 a.m. – 12:15 p.m.

For registration information, please contact Cathy Guadagni at home (688-1794) or at St. Paul's School (739-1619).

Tuition is \$70.00 per week. A space holder fee (included in the \$70.00) of \$20.00 must be paid in advance for each week of attendance in order to be placed on the weekly class roster.

Tuition may be paid in full by May 31, or paid on a weekly basis. The weekly pay schedule is as follows:

June 7-11	full payment by May 31
June 14-18	full payment by June 7
June 21-25	full payment by June 14
June 28-July 2	full payment by June 21
July 12 - 16	full payment by July 2

If payments are not received by the dates indicated, your student may no longer be included on the class roster.

Refunds: One half of the tuition may be refunded, excluding the \$20.00 space holder (\$25.00).

Snack Bar Available: All students will have a recess/break at 9:30 – 9:50. A snack bar will be open with items for sale ranging in price from 25 cents to \$1.00. Students are welcome to bring food from home!

Before and after school care is available beginning at 7:00 a.m. until classes start and from 12:15 until 6:00 p.m. for children who are 4 years, 9 months and older who are attending summer school. Day care for younger students may be arranged through the preschool. Day care fees are \$2.75 per child per hour.

To register, please return the registration form, the emergency form and the space holder fee of \$20.00 per week of attendance to St. Paul's School.

Please make payments to St. Paul's School, and thank you for not including summer payments with regular school tuition or other regular payments!

## **Class Descriptions**

### **Preschool/Prekindergarten**

#### **Week 1 Bears Are Best - Teacher Tiffany**

Bring your teddy bear and your imagination along as we sing, paint and play. We will learn about the wonderful world of bears and conclude our week with a teddy bear picnic. You won't want to miss this furry, fun week.

#### **Week 2 Down By The Pond – Teacher Tiffany**

All kinds of fascinating creatures live down by the pond. Come with us as we make our own pond and dam, eat fun pond snacks and share pond stories and songs.

#### **Week 3 Wanted: Cowgirls and Cowboys! – Teacher Tiffany**

Giddy-up partner and join us for an exciting ride at St. Paul's School Ranch. We will go back in time and learn about the old West.

#### **Week 4 God Bless America – Teacher Tiffany**

America is beautiful! Please celebrate with us as we discover America and all of its beauty. We will enjoy picnics, hot dogs, apple pie and patriotism.

#### **Week 5 Sail Away To Adventure And Fun – Teacher Tiffany**

We might just hear the roar of the ocean on our imaginary trip to the beach. This week will be full of sand-sational experiences that will make learning as fun as a day at the beach.

### **Kindergarten**

#### **Week 1 Animals! Animals! Animals! – Mrs. Shannon Olivarez**

Fur, feathers, scales! Galloping, flying, swimming! Barking, chirping, screeching! Welcome to the wide world of animals! We will explore the many types of animals that exist, and discover their similarities and differences. It's a jungle out there!

#### **Week 2 Zoofari – Mrs. Shannon Olivarez**

Join us as we get to know the animals in the zoo! Through literature, art activities, math and games we will learn about these amazing creatures.

#### **Week 3 In the Days of Dinosaurs – Mrs. Shannon Olivarez**

Go with us on an adventure back in time as we uncover the mysteries of these prehistoric animals. We will make play dough fossils, go on a fossil hunt, "hatch" a baby dinosaur, and make our own dinosaur books. Set your time machine back and join us!

#### **Week 4 Way Down on the Farm – Mrs. Shannon Olivarez**

Get set to spend a week on the farm! We will learn about different farm animals and their jobs through songs, literature, games and art activities.

#### **Week 5 Our Pets – Mrs. Shannon Olivarez**

This week we will celebrate our faithful companions. We will learn how to care for our pets, graph our favorite pets and have a chance to bring our own pets to school.

## **First Grade**

### **Week 1 – Dr. Seuss – Mrs. Leslie Neese**

Dr. Seuss has entertained children with his rhyming text, weekly story lines and made up words. Join us as we take a look at some of his most popular books and enjoy a week of fun activities and silly stories with the Dr.!

### **Week 2 Let's Take A Trip to the Zoo! - Mrs. Leslie Neese**

Learn about different kinds of animals that live in the zoo. Create a fun fact file packet and develop an understanding of what it would be like to be a zookeeper!

### **Week 3 Fun In The Sun! – Mrs. Leslie Neese**

Celebrate the lazy, hazy crazy days of summer with games, crafts and cool activities. **Please bring a wooden 5x7 picture frame (Michael's or Dollar Store)**

### **Week 4 Celebrate America – Mrs. Diane Shelton**

Hurray for the red, white and blue! Celebrate the upcoming 4<sup>th</sup> of July with a bang. Learn the reasons why we celebrate this holiday, important symbols related to this day and enjoy crafts and activities that will start off the celebration of our nation's birthday. **Please bring a solid white tee-shirt.**

### **Week 5 Let's Go Camping! – Mrs. Leslie Neese**

Enjoy a week exploring the great outdoors. Camp crafts, songs and the most treasured favorite: s'mores! **Please bring a wooden 5x7 picture frame (Michael's or Dollar Store)**

## **Second Grade**

### **Week 1 Music! Music! – Miss Micoel Lucero**

Here is your chance to become a musician! We are going to explore the language of music using our voices and bodies to make music and create our own songs. We will use real instruments as well as make some of our own. Music can make us feel different emotions: happy, sad, angry or silly. Come join us and share your musical talents!

### **Week 2 The World of Dinosaurs – Mrs. Vanessa Gipson**

Let's take a trip back to the prehistoric time! We are going to dig up some information about the different kinds of dinosaurs. We will make a dinosaur book, and maybe even create our own dinosaurs! Join us on this exciting adventure!

### **Week 3 Dance Around The World – Miss Micoel Lucero**

Let's explore our world through dance! We will look at the globe to discover dances from many cultures around the world. Our travels will help us learn about our friends around the world by sharing the ways people live, dance, eat and dress. Come and join the dance of life!

### **Week 4 Cooking – Mrs. Rose Bjarke**

Do you enjoy time in the kitchen? This week we will have fun creating easy and delicious recipes, design your own apron and take home a recipe book to share with your family. Bon appetite!

### **Week 5 Fairy Tales – Mrs. Rose Bjarke**

Join us for a week of Jacks and Giants as we jump into the world of magic and mystery. Kissed a frog lately, or found a golden egg? You'll be enchanted by our study of classic children's fairy tales.

## **Third Grade**

### **Week 1 Campfire in the Classroom – Mrs. Janet Fisher**

A campfire in the classroom! How can that be? Come experience the great outdoors. It will be so much fun you will sure want “s’more”!

### **Week 2 Aloha! – Mrs. Janet Fisher**

Aloha friends! Come and have fun in our island paradise. Enjoy food, fun and even hula dancing

### **Week 3 Rainforests...Here We Come! – Mrs. Vanessa Gipson**

Get your passports ready...let’s take an adventure through the Amazon rainforest! While we are there visiting, we will learn about different animals and plants that live in this beautiful place. We will make crafts, play games and have some tasty treats! Come join in the fun as we go exploring in the tropical rainforest. Goodbye civilization!

### **Week 4 Kids Knitting – Mrs. Becky Dotta**

Think you’re too young to knit? Think again. Boys and girls are knitting in the car, in the backyard and at the breakfast table! It’s better than watching TV. You will learn the basics and complete your first project. So cast on and bind off for adventures in “Kids Knitting”. Materials needed: \* 1 pair of knitting needles (size 8-11) \* yarn \*polyfill batting All materials can be purchased at Michael’s or Joann’s Fabrics

### **Week 5 Chess for Kids – Mrs. Becky Dotta**

All over the world, people are taking up the challenge of chess. The power of the mind is awakened, developed and strengthened by playing chess. This class is open to beginners and advanced chess players. We will be learning rules, developing skills and discovering new techniques in a clear and understandable way. All aspects of the game, from the basics of how the pieces are set up and moved, to advanced tactics and strategy, will be enjoyed. All chess materials are provided.

\*\*\*\*For each week in Kindergarten – Third Grade, students are asked to supply their own scissors, crayons, markers, pencils, glue sticks and white glue in a school box or other container labeled with the student’s name. Thank you!!

## Grades 4 – 8 Class Descriptions

### Art

#### **Ceramics – Mrs. Debbie Metzler**

Learn to mold, clean and paint your own clay creation!!

#### **Christmas in June and July – Miss Deborah Petty**

It's never too early to get ready for the happiest season of the year. Get a head start by making crafty decorations, ornaments and gifts for your friends and relatives. We'll make several creative projects that will put you in the holiday spirit and help you to forget the summer heat.

#### **Drawing – Mrs. Puri DeJonge**

Drawing is the basis for all other art. We will practice shading, design layout and create a unique personal style. You may focus on your favorite subjects along with famous works of art to take your drawing skill to a higher level.

#### **Gourd Craft – Mrs. Toni Best**

Gourds have been used for utilitarian as well as art forms over the years. They have been found in Egyptian tombs, used by tribes in Africa and pioneers in America. Students will learn about different gourd shapes and their history. They will learn how to clean a gourd, decorate and make some of the following projects: pins, bowls, gourd vessels.

#### **Jewelry – Mrs. Puri DeJonge**

Learn to make jewelry instead of buying it. Create gorgeous necklaces, fun friendship bracelets, funky summer anklets and dangling earrings using beads, jewels and colorful fibers. Why buy when creating your own can be so much fun!!! **Please bring your own beads and other jewelry making supplies.**

#### **Murals – Mrs. Puri DeJonge**

Have you ever wanted to paint on a wall? If so, mural painting is for you. Using tempera paints and a large-scale piece of paper (tacked to the wall) you can create a bold statement everyone will notice. Mural painting is a fun and easy way to create a spectacular work of art.

#### **Pablo Picasso – Mrs. Puri DeJonge**

Learn about one of the most amazing artists of modern times. Take a week long journey to explore and create some of Picasso's most inspirational master pieces. **Please bring one blank canvas** and watch the beauty unfold.

#### **Pinatas – Mrs. Christine Siedzik**

Get ready for your next party! Learn how to make a piñata.

#### **Scrap Books – Miss Ola Siedzik**

Scrap booking is for everyone! We will be making 8" x 10" ring albums. We will provide the basic materials needed, but please come prepared with approximately 30 pictures to complete your album. Three to four pictures of the same theme typically complete a page.

#### **Van Gogh Painting – Mrs. Puri DeJonge**

Learn to paint like Vincent Van Gogh! Using thick texture on a canvas and painting with bright, bold paints you can create a wonderful Van Gogh style art piece. Just bring your **blank canvas** and in one week see the beautiful art style of Van Gogh appear!

### **Watercolor – Mrs. Puri DeJonge**

Come explore one of the finest art mediums, watercolors. Learn to create beautiful landscapes, night scenes, still-life and many more paintings like the masters. Learn techniques to enhance your watercolor abilities. All you need to bring is a **watercolor paints** and your imagination.

### **Weaving Wonders – Mrs. Toni Best**

Explore the world of weaving. Learn the meaning of warp and welt. Discover how to warp a simple loom and create a glorious project. This class will create Hallelujah dolls, and a more detailed weaving project. Students may also learn to weave small tapestries utilizing different types of warps.

### **World Crafts – Miss Ola Siedzik**

Take a trip around the world by doing unique art projects that connect to different countries. Some of the projects are based on a particular culture. Others are inspired by the country's geography or history. Learn about the world as you exercise your creativity!

## **Computers**

### **Google Earth – Mr. Anton Vorozhko**

Get a new look at the world. Go on a scavenger hunt this summer that will take you all over the world. Here is a new way to learn geography or maybe just a new way to travel. Go to places you have never dreamed of without leaving your seat.

### **Google SketchUp – Mr. Steven Cranston**

Model anything you can imagine. Google SketchUp is a tool for creating, editing and sharing 3D models. We will explore web page design, designing homes and other exciting projects.

### **Internet Quest – Mr. Steven Cranston**

Investigate the unexplained! We will choose from a variety of subjects to investigate such as Atlantis, the lost continent, alien abductions, Bigfoot, the Bermuda Triangle, the missing Roanoke Colony, what happened to Anastasia and more!

### **Photoshop Elements – Mr. Steven Cranston**

Use this software to create, retouch and enhance images for virtually every medium...from print to the World Wide Web and everything in between. Now it is your turn to discover this exciting photo design too!

### **PowerPoint – Mr. Steven Cranston**

Use this versatile program to create snappy multi media presentations.

### **Typing Frenzy – Mr. Steven Cranston**

Work on your keyboarding skills. We will play computer games that will increase your typing speed and accuracy.

## **Cooking**

### **Bake Sale – Miss Deborah Petty**

Help prepare and package a variety of baked goodies that will be sold in the student store.

### **Cake Decorating – Miss Deborah Petty**

Learn to decorate cakes for all occasions. This class will be held during 1st and 2nd periods.

### **Canning/Preserving – Mrs. Diane Ledford**

We will work in the kitchen preserving food from our garden or from our bountiful valley. We'll can peaches, enjoy freshly made salsa, make freezer jam, make fruit leather, dehydrate some fruit and bake up a fruit pie or two. This class will be held during 1<sup>st</sup> and 2<sup>nd</sup> periods

### **International Foods – Miss Deborah Petty**

Get a taste of different cultures! You will help prepare and sample foods from a different country each day. This class will be held during 1st and 2nd periods.

### **Critical Thinking/Brain Work!**

#### **Bridge – Mrs. Christine Siedzik**

Be one of the first of your friends to learn the fundamentals of one of the best card games played world over- BRIDGE. See if you can rise to the challenge of learning this never-boring game.

#### **Chess – Mr. Richard Garoogian**

Learn the fundamentals of chess. Acquire new strategies and improve the ones you already may have.

#### **Dungeons and Dragons – Mr. Tim Lurz**

Come and play the first role playing game ever! Be a ranger, paladin, rogue, cleric or wizard. Hunt for treasure, solve riddles and defeat evil monsters.

#### **Logic According to Holmes – Mr. Anton Vorozhko**

Sherlock Holmes that is! Join us to hone in your critical thinking and logical skills so that you can solve the next crime like our famous detective. How does Holmes solve all of those crimes so easily? This is your chance to find out in our "Logic according to Holmes" class.

#### **Settlers of Cataan – Mr. Tim Lurz**

This is an award winning board game that will pit you against other players in dominating a new world. Compete for resources while building towns and roads.

#### **Simple Machines – Mr. Tim Lurz**

Who or what is a Rube Goldberg? Can you build a better mousetrap? Learn about gears and pulleys and stuff you find in your mom's junk drawer to make a marble do some cool traveling!

#### **Warhammer 40k – Mr. Tim Lurz**

This is a popular table top strategy game in which you control military units in order to conquer the world.

### **Images**

#### **Film Production – Mr. Teddy Voshall**

Learn about the Hollywood production process as you collaborate as a class to produce a short film.

#### **Monster Movies – Mr. Teddy Voshall**

Approach the classic genre of the "Monster Movie" through a number of activities, demonstrations and screenings. Explore the scare tactics and the essence of fear in film.

#### **News Reporting – Mr. Anton Vorozhko**

Always wanted to be on tv? Here's your chance to be the next Dan Rather or Katie Couric. Be a part of the first video reporting class. Learn the "ins and outs" of

interviewing, reporting on location and putting together a newscast that you and your friends can watch over and over. Join us for your 15 minutes of fame!

**Photography – Mr. Puri DeJonge**

Learn basic photography skills using digital and film cameras. Take creative pictures of your friends and learn how to frame landscape to capture the beautiful surroundings. Have fun setting up photo shoots and bring your favorite items to capture on film. Document your life with pictures!

**YouTubers – Mr. Teddy Voshall**

Learn about YouTube internet culture; form teams to produce videos for YouTube.

**Languages**

**A Taste of French – Mrs. Toni Best**

Spend a week learning the basics of this beautiful language. Perhaps a trip to Paris may be in your future.

**Chinese Conversation – Mr. Tim Lurz**

Ever been to a Chinese restaurant and wondered what those funny looking words were? Spend a week learning the basics of a 5,000 year old language and get ready to be able to ask Jackie Chan, “How are you?” in his native language should ever meet him.

**Russian – Mrs. Tatyana Mierendorf**

Students will receive an introduction to the Cyrillic alphabet, reading, vocabulary and conversational Russian. Students will also learn about Russian culture: folktales, art, music and native traditions.

**Spanish – Miss Ola Siedzik**

Learn the basics of this very useful language. We will study culture, create some art and even taste authentic food.

**Music**

**Instrument Making – Mr. Richard Garoogian**

Invent sounds that no one has ever heard before on the instrument YOU design.

**Music Keyboarding – Mr. Richard Garoogian**

Learn some basics or perfect your skills on a keyboard. Helpful if you can bring your own, portable keyboard.

**Music Videos – Mr. Teddy Voshall**

Produce a music video of your own while learning about the history of music videos in America.

**Numbers and Science**

**Explore Your Senses – Mrs. Debbie Metzler**

All five of these wonders will be studied; some anatomy will be involved as you think about and experiment with your ability to hear, see, taste, touch and smell.

**Floor Plans and Measuring – Mr. Tim Lurz**

Learn how to re-design a house just like on tv!

**Gardening – Mrs. Diane Ledford**

Play in the garden before the sun gets hot. See what’s grown and needs harvesting, and what needs to be cared for in the garden. We’ll learn a bit of plant identification, soil care and gardening maintenance.

### **Wall Street – Mr. Anton Vorozhko**

Do Dow Jones and Nasdaq just sound like a couple of cartoon characters to you? They won't after this summer. Sign up for our Wall Street class and learn about investing. Pick your own company, buy shares of stock and sell just in time to make a profit.

### **Sports/Fitness**

#### **A Game A Day – Mr. Peter Brown**

Here's a chance to play all sorts of fun field games...Capture the Flag, Prisoner, Laundry Basket Basketball, Ultimate Frisbee, Volleyball, ...help choose the game of the day!

#### **Basketball – Mr. Peter Brown**

If the magic of the round ball is your passion, then you'll love this class! Learn fundamentals, rules and have fun playing as a team.

#### **Flag Football (for students in grades 5-8 only) – Mr. Peter Brown**

It's never too early for football, and if you enjoy the rush of dodging your opponent, and the thrill of the catch, then strap on some flags and come on out!!

#### **Golf: Par For The Course – Mr. Greg Storseth**

Here's a fun week of golf instruction and skills. This class will meet first and second period at a local golf course. Transportation will be finalized when you sign up. Greens fees are \$20.00 per week and need to be paid with the summer school tuition.

#### **Pennant Fever – Mr. Greg Storseth**

The game of baseball will be our theme for the week. We will take a look at the history of the game, along with stats, stars and the skills that are part of "America's favorite pastime". We'll even have our own fantasy league.

#### **Soccer – Mr. Peter Brown**

Attention soccer fans! Want to polish your skills? Interested in the game? If you are new to soccer or a veteran of the game, you will have a great time. Students will learn about the history of the game, some of the greats who have played and master some basic strategies. Come see why soccer is the most popular game on the planet!

#### **Tennis – Mr. Peter Brown**

Grab your tennis racket and a can of balls! Learn a few of the basics, perfect your game or learn new techniques. We have rented courts out by Plaza Park and will provide transportation.

#### **Volleyball – Miss Ola Siedzik**

Bump, set, spike! Spend a week learning the skills of volleyball. We'll cover everything from the serve to the quick set. Students will also learn the team strategy of the game.

### **Using Words**

#### **Drama – Mr. Teddy Voshall**

Lights! Camera!! Action!! Want to learn to do a more effective audition? How about responding better to stage direction? Even if you only want to play some great improvisation games, you'll love drama. Actors and actresses of all levels are welcome. Participation is a must!

#### **Journalism – Mr. Teddy Voshall**

Explore different types of news media, practice creative writing, and engage in a TV news simulation in producing journalistic scripts.

### **Playwriting – Mr. Anton Vorozhko**

Do you love to write and act, but never thought you could actually write, produce and act in your own play? Here is your chance to DO IT! Adapt a short story into a play, create your own scenes and dialogue and then be the star at the finale performance. Look out Broadway!

### **Puppetry – Mr. Teddy Voshall**

Create varieties of puppets, develop a story for them and put on a puppet show extravaganza!

### **Storytelling – Miss Deborah Petty**

Storytelling is an art form that has been around for thousands of years. In this class you will be entertained while listening to stories told by professional storytellers, and you will learn to entertain others by telling stories of your own.

### **Word Games – Miss Ola Siedzik**

Expand and develop your vocabulary, as well as improve your spelling ability, as you play Scrabble, Boggle, Buzz Word and more!

### **Last But Not Least**

#### **College 101 – Miss Ola Siedzik**

Going to college? Not yet, but you most likely will. Come learn what college is all about. Find out what classes you like, what living in a dorm is like, and about the cool cities various schools are in. You will learn how colleges are different from one another and you can start to think about where you want to make your dreams come true.

#### **Crochet – Mrs. Christine Siedzik**

Crochet is easy to learn and goes quickly. You can acquire a skill to last a lifetime and make a finished item in one week's time.

#### **First Aide – Mrs. Debbie Metzler**

Ever wonder what you can do in an emergency? Learn how to recognize an emergency and a few basic first aid techniques such as handling minor cuts and wounds and helping a choking victim.

#### **Furniture Refinishing – Mrs. Diane Ledford**

Turn a run down piece of furniture into a thing of beauty. Learn to refinish wooden furniture. We will sand, prime, paint a background color, and then decide together how to embellish an old picnic table with a top coat to keep our project nice for years to come.

#### **Knitting – Mrs. Christine Siedzik**

Learn basic knitting skills as you create a simple article such as a scarf or a washcloth. More experienced knitters can work on more demanding projects. Knitting is a skill that is useful for life!

#### **Life Skills – Mrs. Diane Ledford**

It is the little things that can make such a big difference! Learn how to sew on a button, repair a sagging hem, use some basic tools, and other useful life skills that can make the big difference in just knowing how.

#### **Self Defense – Mr. Tim Lurz**

Establish self-confidence by learning simple, yet effective defense techniques. The techniques are non-aggressive, but will enable you to get yourself out of some tricky situations.
