

## Forrest Jenan

Forrest Jenan is the Lead Pastor of Neighborhood Church here in Visalia. While he is not an alum or a parent of a St. Paul's School student, Forrest's primary affiliation to our school comes through his deep respect for SPS history in our community and its current leadership and faculty. Forrest is entering his twenty-fifth year as a pastor and church leader. His education and experience have allowed him to look at organizational leadership through the unique lens of a Jesus Centered theology. He is enthusiastic to serve St. Paul's School as a trustee because of his belief in our mission and the unique contribution the school makes to our community.
