

Manny Lucero

Manny Lucero serves our board as both a member of St. Paul's Anglican Church, and also as a past parent at St. Paul's School. Manny's career brought him to the Central Valley in 1988. He retired as professional educator and administrator after holding positions of counselor, assistant principal and principals in four different local school districts. Manny holds a BA in both Psychology and in Business and Letters in Social Studies from the Claremont Colleges; his MA in Counseling and Developmental Psychology and PPS Credential from CSU San Bernardino; and his Administrative Credentials from CSU Fresno. Manny supports and appreciates the Christian aspect of St. Paul's School's mission, and he loves how that intertwines with its academic mission to embrace the children of our area.
