

## Monica Norton

Monica is a member of St. Paul's Anglican Church, past parent of St. Paul's School, as well as past trustee during the time her son attended middle school at SPS...she also hopes to be a grandparent here someday soon. Her family's affiliation with St. Paul's goes back to when her mother worked as secretary for Percy Jenkins, the founding Director of St. Paul's School in 1966! Monica attended College of the Sequoias and Fresno State University before earning her CPA certificate in 1982, and now has over forty years of experience in public accounting in Visalia. She brings invaluable financial acumen to our board as a business owner and with her expertise in support of local business' financial operations. As she pulls back from full time work, Monica enjoys lending her experience to local nonprofits near to her heart and looks forward to sharing in the success of St. Paul's School for years to come.
