

Rica Curtiss

Rica Curtiss's thirteen-year-old son has attended St. Paul's School for ten years, and she is a member of St. Paul's Anglican Church. Rica has worked in education for twenty-one years as both a teacher and administrator for infant through adult programs with a focus on developmental and learning needs of individuals with disabilities. As a trustee, Rica's intention is to lend her experience in educational leadership and to support our administration's present work for the long-term sustainability of St. Paul's School. She holds SPS near to her heart, and she hopes her efforts now help preserve the school for generations to come.
